All student educational service fees are assessed annually for the entire academic year, without separate calculations for semesters or school breaks. The total annual fixed fees are \$12,000.

The \$500 annual enrollment fee is non-refundable once enrollment has been completed and confirmed, except when the Academy cannot provide the agreed-upon services or as otherwise required by applicable law.

三、退费标准 / Refund Schedule

学生因个人或家庭原因提前终止教育服务，退费将根据学年已完成的日历天数，按照以下标准执行。

If a student withdraws before completing the academic year for personal or family reasons, refunds will be calculated according to the number of calendar days elapsed during the academic year, as follows.

第 61–90 天 / Days 61–90	25%	\$2,875
第 91–365 天 / Days 91–365	0%	\$0

学年计算说明 / Academic Year Calculation

This refund schedule is based on a 365-calendar-day academic year, including regular instructional days, weekends, public holidays, and school breaks. All fees are assessed annually and are not calculated separately by semester or school break.

退费计算说明 / Refund Calculation

以上金额以学生已全额支付 \$12,000 年度固定费用且未获得费用减免为前提。退款比例适用于扣除 \$500 年度注册费后的 \$11,500 可退费基数。实际退款金额将根据学生已付款项、应付费用和适用的奖助学金调整计算。

The amounts above assume full payment of the \$12,000 annual fixed fees without financial aid or fee reductions. Refund percentages apply to the \$11,500 refundable fee base, excluding the \$500 annual enrollment fee. Actual refunds will be adjusted based on payments received, outstanding charges, and applicable scholarships or financial aid.

四、服务天数计算 / Calculation of Service Days

服务天数以双方约定的年度教育服务安排为依据。已安排并可提供服务的日期，即使学生因个人原因缺席，仍计入已完成的服务期间。假期不单独产生退款，也不按学期重新计算退费比例。

Service days are determined according to the agreed-upon annual educational service schedule. Scheduled days on which services are available count toward the completed service period, even if the student is absent for personal reasons. School breaks do not create separate refund entitlements, and refund percentages are not recalculated by semester.

五、可选服务退费 / Optional Services Refunds

特殊学生辅导、大学申请及名校升学规划与指导等可选服务，按照双方签订的服务协议执行。尚未开始的服务，已支付费用予以全额退还。已经实际提供的服务及事先约定且实际发生的不可退还费用，不予退款。尚未提供的服务费用按照双方协议结算退还。法律另有规定的除外。

Refunds for optional services, including specialized student support, college application assistance, and prestigious university admissions counseling, shall be governed by the applicable service agreements. Fees for services not yet started will be fully refunded. Fees for services already rendered, as well as previously agreed-upon non-refundable expenses actually incurred, are non-refundable. Fees for services not yet provided will be refunded in accordance with the applicable service agreement. Exceptions required by applicable law shall apply.

六、特殊情况 / Special Circumstances

因严重疾病、重大家庭变故或其他不可抗力因素而退学的，学院可根据学生实际情况，对退费申请进行个别审核。

If a student withdraws due to serious illness, significant family emergencies, or circumstances beyond reasonable control, the Academy may review the refund request on a case-by-case basis.

若因学院原因无法继续提供约定服务，学院应退还相应尚未提供服务的费用。

If the Academy is unable to continue providing the agreed-upon services, fees for services not provided will be refunded.

七、退学申请与退费程序 / Withdrawal and Refund Procedures

学生或家长须以书面形式提交退学申请。退费计算以学院收到书面退学通知之日或学生最后接受服务之日中较晚的日期为准。

Students or parents must submit a written withdrawal request. For refund purposes, the withdrawal date will be the later of the date the Academy receives written notification or the student's last date of service.

符合退费条件的款项将在收到完整退学申请并完成账户结算后 30 个日历日内退还。

Eligible refunds will be processed within 30 calendar days after receipt of a complete withdrawal request and final account reconciliation.
